

At the time of scheduling your appointment, we will ask for your Patient Information as well as your Insurance Information (Medical & Vision). Please be prepared with your insurance cards when you call our office for an appointment.

When you arrive to our office, we will have to obtain your signature on some paperwork. In addition, we will be scanning a copy of your Driver's License (as it is necessary for identification) and your Insurance Cards (Medical & Vision).

Our patients LOVE this new method as it cuts down on a lot of the paperwork and will definitely eliminate some of your "wait time" in our office.

Thanks for your help and We Look Forward To Serving You!

**\*\*Don't forget to bring your Insurance Cards (Medical & Vision) with you to your appointment!**
